Long Lonely Winter

jennylee

I said never, I said never
Never, never
Not for you, not for them
Not for all the things
Not for all the things that make me feel bad
I said never never never never never never never
Not for you, not for them
Not for all the things
Not for all the things that make me, make me
That make me, make me
That make me, make me feel bad
That make me, make me
That make me, make me
That make me, make me say never
I say never never never
