If I Run Into You

Joey Mcintyre

If I run into you, here's what l'd do
Probably say that everything is okay
Say I met someone knew, it's really going well
Funny I should see you today
And I'd tell ya all the things I got going on
Working on a deal for my new hit song
Even though it really shouldn't matter too much to me
If I run into you, if I run into you
Yeah here's what I'd do
I'd say, "listen I'm having a really crazy week
And I can't talk right now, but I'm glad we're doing
Our own thing 'cause I think it's best for us, don'tcha think? "
See ya!
Wouldn't wanna be ya
If I run into you, here's what I'd do
Probably put on my shades, and act real cool
And I wouldn't understand a thing you say...
Like, "i want it that way."
And you'd tell me all the things you got going on
Found a new man and he turns you on
Even though it really doesn't matter too much to me
If I run into you, if I run into you

Yeah here's what I'd do,
I'd say, "wow you're looking kinda different,
You do something funky with your hair?
...and that tattoo? oh, it's temporary? !"
See ya!
Wouldn't wanna be ya
If I run into you
There ain't nothing going on but the rent you see, there ain't nothing going on
But a
J-o-b, there ain't nothing going on but the rent, but the rent....
If I run into you, if I run into you
Here's what I'd do I'd say the damdest things not one of them would be true
'cause I'll be damned if I look bad in front of you...yeah
I'll be damned if I look bad
See ya!
Wouldn't wanna be ya

If I run into you, if I run into you
If I run into you, if I run into you
Nah nah nah nah nah nah nah nah
Nah nah nah nah nah nah nah nah
Hey, hey
Good-bye
