

# Keeper of the Keys

H.P. Lovecraft

Would we possibly see  
The keeper of all the keys  
One key to rule them, he keeps in the great hall  
Under the dark tower we call  
Now we beat on the drum  
Aquarian dancers come  
And now the children the oracle has seen  
Play at the old gates of his dreams  
And he doesn't even realize  
He doesn't realize  
That it's all happening  
To let him know there's a change  
Coming up behind him  
But he's hanging on to the chains  
And the key that binds him Now the changes are there  
The colour of a renaissance fair  
Sits 'neath the window and flies on a new breeze  
Soft for thee, oh keeper of keys  
And he doesn't even realize  
He doesn't realize  
That it's all happening  
To let him know there's a change  
Coming up behind him  
But he's hanging on to the chains  
And the key that binds him The keeper of the keys  
The keeper of the keys  
The keeper of the keys It's all over now  
It's all over now  
It's all over now
