Don't Cry No More

Cyndi Lauper

One, two, one, two, three, four
Lord, have mercy
Don't cry no more, wipe away your tears
Don't cry no more, baby, wipe away your tears
I know, I know, know that you love me real
Hey, hey, hey, hey
Hey, hey, hey, hey
Don't cry, don't cry, I'm begging you
Don't cry no more, baby, I'm begging you
Every tear you shed will tell me that your love is true
Hey, hey, hey, hey
Hey, hey, hey, hey
Lord, have mercy
Cry me the river, cry me a sea
Now I believe without a doubt
You really, really, really love me
I don't want you to cry
I don't want you to cry
Dry your eyes, dry your eyes
I'll be your water, when you're thirsty
I'll be your [Incomprehensible], when you're fallin' on down
Oh, baby, dry your eyes, lean on me
I'll stick by you, I'll stick by you
I'll be your bread, in a starry land
