

Bella's Lullaby - Twilight

Baby Lullaby

Life was like a moonless night,
Shrouded in the stars,
Beauty can be such a fright,
But now you're in my arms.[Chorus:]
 You are my life now
 Can't you see
 I'd cross oceans
 I'd swim seas
 To be with you
That's enough for me.Your face is like a poison,
 Intoxicating me,
 How can we live forever,
 When our love can never be.
 [Chorus:]
 You are my life now
 Can't you see
 I'd cross oceans
 I'd swim seas
 To be with you
That's enough for me.
