

# Stay with You Tonight (feat. Riff Raff)

## Clinton Sparks

Can I stay with you tonight?  
Cause I don't think that I'm alright  
I need to find a piece of mind  
Cause I messed up just by design  
And I don't even trust myself  
Baby, I could use your help!  
What's on your mind, baby, let me know  
I don't really wanna go, go, go  
Cause I'm not into leaving  
I'll be scratching, kicking screaming  
Girl, I'm feeling  
Chorus:  
Can I stay with you tonight?  
And we'll do something that's not right  
Can I stay with you tonight?  
I wanna stay with you! You might be just as fucked as me  
But I still need some company  
Maybe we'll take each other down  
And we can face that on the ground, ground, cause  
I'll be so mistreated  
I'll be scratching, kicking screaming  
Girl, I'm feeling  
Chorus:  
Can I stay with you tonight?  
And we'll do something that's not right  
Can I stay with you tonight?  
I wanna stay with you! OK! Flip!  
Home dance, the king with the blue wrist  
Counting coke on the table with a sworn fish (damn!)  
I promised myself one thing  
Married to the success, keep the diamond ring!  
She want me, wants me to stay in  
I ain't drop, but I'm swimming in the... Benz  
Poor model, what a short thing...  
Flashbacks over high school, about gym  
Now I'm just high with school women, girl  
Me and you is just possible to be just friends?  
Had sex one time, then you moved in (what?)  
No ... got something on your girlfriends.  
Chorus:  
Can I stay with you tonight?  
And we'll do something that's not right

Can I stay with you tonight?

I wanna stay with you!

Yeah, yeah, yeah

I wanna stay with you!

Yeah, yeah, yeah

Can I stay with you? I don't want to wake up, I wanna go back to sleep

Take my chances on the lottery

Doing nothing is fine, if it's nothing you need

I can always find love for...

Yeah, I got a real job, but I'm already late

Can I blame the boss for not enough sick days?

Just laying, no passing time with my forties and dimes

I'm a loser from 9 to 5! I wanna be lazy

Don't wanna go outside today!

I wanna be lazy

Don't care if I've got bills to pay!
