

I Want To Be With You

Bonzo Dog Band

There are things that must be done
That are not yet begun
Things that I must do
When I want to be with you
Although we're far apart
You're with me in my heart
No one else will do

I just want to be with you I want to be with you

Can't you hear me?

I need you near me

I want to be with you

I need you near me, my love

The two of us are one

Mother of my son

No one else will do

I just want to be with you

I want to be with you

Can you hear me?

I need you near me

I want to be with you

I need you near me, my love
