

# It's Sad To Belong Acoustic

Piolo Pascual

Met you on a springtime day  
You were mindin' you life  
And I was mindin mine, tooLady when you looked my way  
I had a strange sensation  
And, darlin' that's when I knew(That/Oh) it's sad to belong to someone else  
When the right one comes along  
Yes, it's sad to belong to someone else  
When the right one comes along  
Oh, I wake up in the night  
And I reached beside me  
Hopin' you will be thereBut instead I find someone  
Who believe in me when I said  
"I'd always care."So I lived my life in a dreamworld  
For the rest of my days  
Just you and me walkin' hand in hand  
In a wishful memory  
Oh, I guess that's all  
That it would ever be  
Wish I had a time machine  
I could make myself go back  
Until the day I was born  
And I would live my life again  
and rearrange it so that I'll be  
Yours from now on
