We Sleep In the Ocean

The Cloud Room

Advisory - the following lyrics contain explicit language:

We could just leave tomorrow, never ever see any sorrow
And we'll sleep in the ocean, far from all the commotionAnd we run and we hide from the slow assassination tide
And we run and we fight our skin is our only home tonight
Hey, hey, hey, the fade awayWe could sneak out while they're sleeping
Re-sculpt the world the way we dream it
And we'll sleep in the ocean, far from all the commotion
