

# Flirtin' With Disaster

## Tankard

Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass  
I drank lots of apple wine last night  
And now my bowels, they don't feel so right  
Wet fart! Something don't feel right  
Wet fart! Soiled my pants tonight  
Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass  
Lack of control, what else can I say?  
My rectal dribble leaves a spot that stays  
Wet fart! No reason or rhyme  
Wet fart! Dinglberry time  
Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass  
Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass  
Now I lessen for you all to hear  
Don't trust that feeling knocking at your rear  
Wet fart! I'm not that perplexed  
Wet fart! You just might be next  
Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass  
Flirtin' with disaster, Flirtin', butt mayonaise  
Flirtin' with disaster, Flirtin', it seems it's not my day  
Flirtin' with disaster, Flirtin', I passed some glass  
Flirtin' with disaster, Flirtin', and blue chunks out my ass
