Complicated Heart

Michael Learns to Rock

Don't know what to say now
Don't know where to start
I don't know how to handle
A complicated heartYou tell me, you are leaving
But I just have to say
Before you throw it all awayEven if you want to go alone
I will be waiting when you're coming home
And if you need someone to ease the pain
You can lean on me, my love will still remainDon't know what you're thinking
To me it seems quite tough
To hold a conversation
When words are not enoughSo this is your decision
And there's nothing I can do
I can only say to youEven if you want to go alone
I will still love you when tomorrow comes
And if you need someone to ease the pain
You can lean on me, my love will still remainIf this is your decision
And there's nothing I can do
I can only say to youEven if you want to go alone
I will be waiting when you're coming home
If you need someone to ease the pain
You can lean on me, my love will still remainEven if you want to go alone
I will still love you when tomorrow comes
