

# Lies

## Elton John

Some lie about who they love  
Some lie about the truth  
Some lie to save their lives  
Some lie about their youthSome lie about age and beauty  
The conquest of sex  
Most lie about the night before  
A woman lies for a party dressI've lied for a stolen moment  
I've lied for one more clue  
I've lied about most everything  
But I never lied to youAnd we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams  
If I could only hear something that sounds like the truthSome lie in the face of death  
Some lie about their fame  
Some kneel and lie to God  
Some lie about their nameSome lie in words and speeches  
With every living breath  
The young lie with their guitars  
The old lie for a little respectI've lied to lie with danger  
I've lied for a drug or two  
I've lied about most everything  
But I never lied to youAnd we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams  
If I could only hear something that sounds like the truthI've lied for a stolen moment  
I've lied for one more clue  
I've lied about most everything  
But I never lied to youAnd we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams  
If I could only hear something that sounds like the truth
