I Kissed Her

Terminal Choice

I'm trapped in a world of illusion and fear
but in my dreams I escape from this place
and in a dark and cold night I met my destiney
I looked into her eyes and I saw a fragile childand then she fell into me arms
I couldn't resist, I kissed her
and it felt like heaven
I don't understand
but I don't want to understandand then we were alone
anything could happen
she looked into my eyes and she saw my confusion
so she took me by the hands
and whispered "may I kiss you"
I felt her warm lips on mine
and I wanted it to last foreverand then she fell into me arms
I couldn't resist, I kissed her
and it felt like heaven
I don't understand
but I don't want to understand
