Number 11

DMX

This is how it's goin' down huh
The niggaz hit me like that
In the fuckin' back, in the fuckin' back
Bitches
This how we do bitch niggaz for real whatI'm about to let you niggaz know
How da fuck it's goin' dizzy
When it comes to that flow I gets busy
Dog don't care gets bare like grizzly
Boom boom boom ATF who the fuck is they?
Dog is the nigga that's gonna walk through the night
Park the car 20 blocks way and walk to the fight
Nigga where the fuck I want 'cuz New York is alright
The dog is alright 'cuz the hawk is on sightEverything from get at me dog to what's my name
X got a rep niggaz trust my name
Ain't never been a nigga to discuss my fame
Fuck my fame nigga, whats my name?
I'm a keep it real no matter what it costs me
Never one to be taken lighty or softly
Dog I don't know you, please back the fuck up off me
Before I have him, 'cuz I popped you tryin' to off meSo don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'Cuz y'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked up
So don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'CuzY'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked upI done told you niggaz to walk with me
Stand now who's lookin' at me awkwardly?
My man but you know who I let talk to me
My fans, take pictures, shake hands
'Cuz that's my man, it'll be what it is
For as long as I let is last shit niggaz
Put out I be wrong if I let it pass
Think that shit is hot bitch just because
You said it fast, I'm about to get it fast
You pumped up on leaded gasDon't keep goin' where you goin', it's a dead end
Before niggaz catch you at the door
Tryin' to get in, keep tryin' to fit in
Four pounds spit in get what you put in

Bullshit for bit in, stop talkin' wreckless
'Cuz y'all don't mean it y'all better respect this
'Cuz y'all done seen it
Y'all better check this 'cuz I'm gon' bring It
Bring it, I don't think y'all really wanna see itSo don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'Cuz y'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked up
So don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'Cuz y'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked upHey yo why don't niggaz run they mouth
When they ain't bout?
It ain't ridin' or die but stay wantin' to shout it
Stay pullin the thing out what you gonna do without it
No I wanna know for real what y'all gonna do without it?
We done tested y'all niggaz, arrested y'all niggaz
Straight out double vested y'all niggaz
And it was only outta love
We protected y'all niggaz and
Because of a nigga in jail we respected y'all niggazSo don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'Cuz y'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked upBe careful where you walkin'
'Cuz the ground real shaky nigga hold the phone but
Please don't make me please don't mistake me
Make me angry, love me or hate me
Niggaz can't break meSo don't walk too fast or talk too much
'Cuz y'all niggaz is askin' and you know whassup
'Cuz y'all niggaz are blastin' weed like what
And my niggaz are blastin' y'all fucked up
