Zero Seconds Pause

Deerhoof

now I am going dancing
now I am going dancing
If you would care to join me
If you would care to join me
now I am going dancing
now I am going dancing
If you would care to join me
If you would care to join me
Today I
Today I
Today IShow her
That part is over
Show her
That part is over
Show her
That part is over
Show her
That part is overShow her
That part is overToday I
Today I
Today IShow her
That part is over
Show her
That part is over
Show her
That part is over
Show her
That part is overShow her
That part is over
