

Stars (Acoustic)

Simply Red

Anyone who ever held you
Would tell you the way I'm feeling
Anyone who ever wanted you
Would try to tell you what I feel inside
The only thing I ever wanted
Was the feeling that you ain't faking
The only one you ever thought about
Wait a minute, can't you see that I Wanna fall from the stars
Straight into your arms, I
I feel you, I hope you comprehend For the man who tried to hurt you
He's explaining the way I'm feeling
For all the jealousy I caused you
States the reason why I'm trying to hide
As for all the things you taught me
It sends my future into clearer dimensions
You'll never know how much you hurt me
Stay a minute, can't you see that I Wanna fall from the stars
Straight into your arms, I
I feel you, I hope you comprehend Too many hearts are broken
A lover's promise never came with a maybe
So many words are left unspoken
The silent voices are driving me crazy
After all the pain you caused me
Making up could never be your intention
You'll never know how much you hurt me
Stay, can't you see that I Wanna fall from the stars
Straight into your arms, I
I feel you, I hope you comprehend, I Wanna fall from the stars
Straight into your arms, I
I feel you, I hope you comprehend
