A new storm is brewingAway with obstacles to progress
Those deficient in ambition to prosperity
Yearning but what already is gone
The remains digress and start anewRitualist

Expanding the source at handAligned with the continuum
Expanding the source at hand
Altering the past and the present
The future changes the chain of commandTransfusion of new blood
Congregation of true blood
With no chains attached
We're letting the past rest
And things will never quite be the sameTransfusion of new blood
Congregation of true bloodTransfusion of new blood
Mobilization of true blood
What's leaving is already left behind
What's leaving is already left behindWith no chains attached
We're letting the past rest
Things will never quite be the same
When we are in charge of the gameDispatching the chained ones
While being watched by the eyes of time
Everything is clearer now
The search is on for the next horizonRitualist
Moving forward with silence and rapid pace
Ritualist
Since the horror dawned upon our immediate raceRitualist
The veil has once again been extracted
Ritualist
From the mist that dimmed our eyesRitualist
