Mama, You Got a Daughter

John Lee Hooker

Well mama mama, talk to your daughter for me
Well mama mama, talk to your daughter for me
Tell your daughter that I love her now, I'll do anything I can
Tell your daughter I love her, love her till the day I die
Tell your daughter I love her, I'll love her till the day I die
I want to you to talk to your daughter, talk to your daughter for me
I'm loving that woman, I'm crazy about your daughter
I'm waiting for your daughter, I love your daughter
I love your daughter, tell me what I'll doI said look over here now mama
Ever since mama, your daughter was five years old
I was six years old, we were going to school together mama
I was a natural born fool for your daughter mama
Mama please talk to your daughter
Tell your daughter I love her mama
I love your daughter, do anything she says
Mama talk to your daughter
Mama talk to your daughter
Tell your daughter I love her
Mama talk to your daughter
Tell your daughter I love her
Mama talk to your daughter for meI'm crazy about your daughter
Mama I'm crazy about your daughter
Mama talk to your daughter
You know that's your daughter
Tell your daughter I love her
Talk to your daughter, talk to your daughter for me
Mama talk to your daughter [repeat]
