

# Poor Mohammed

## Procol Harum

Poor Mohammed at the peep show  
    Kick the beggar down the stairs  
    Can't keep guard, he's old and feeble  
Steal his books, burn his prayersPoor Mohammed at the keyhole  
    Sit him by the kitchen door  
    Slop his food all around the table  
Let him lick it off the floorPut Mohammed in the cellar  
    Keep him there 'til half past ten  
    Ties some bacon to his beard  
    Let the rats out on him there
