## Ciara

Come enjoy the life Baby, take a ride I just wanna vibe with you, you Baby, you and I can have a good time Tell me what you like Oo, ooNow, listen I've been single for a while now And I've been kind of lonely But I'm looking for somebody to talk to Love me, someone who can hold me Is that you?I'm looking for somebody I can call boo Looking for the only one that I can give my all to Tell me if it's you, you, you What you wanna do, do, do? Make your move You can be my teacher I'll do homework You can give me extra credit, baby I'll do more work What you wanna do, do, do? Now it's me and you, you, you The moodThis mood is so right It feels so right You can be my prince My knight You can be my Superman Save me, here I am'Cause, baby There's nothing I won't do To spend my life with you I'll give my all to you I promise that I will never lie to you, boy There's nothing I won't do To spend my life with you I'll give my all to you I promise that I will never lie to you, boyYou and me together Picture perfect I'll spend all my money all my time Because you're worth it

It's just me and you, you, you

What you wanna do, do, do?

Make a move

Call me mama, spoil you like a baby

Thinking about you, dreaming about you

Got me going crazy

What you wanna do, do, do?

Now it's me and you, you, you

The mood, yeahThis mood is so right

It feels so right

You can be my prince

My knight

You can be my Superman

Save me, here I am'Cause, baby

There's nothing I won't do

To spend my life with you

I'll give my all to you

I promise that I will never lie to you, boy

There's nothing I won't do

To spend my life with you

I'll give my all to you

I promise that I will never lie to you, boyI mean everything that I say

From the bottom of my heart

I will never, never, ever hurt you

I open my heartOpen my heart

Give it to you

Tell the whole world that I'm in love with you

Whatever you want

Baby, I'll do

I know I don't want nobody else but you'Cause, baby

There's nothing I won't do

To spend my life with you

I'll give my all to you

I promise that I will never lie to you, boy

There's nothing I won't do

To spend my life with you

I'll give my all to you

I promise that I will never lie to you, boy
