

Dunisa Uyehova

Rev. Nkomfa Mkabile

Dunisa uyehova
naw'onke umhlaba
makabonbwe
yonk'inceba yakhe
nothando lukhulu
makabongwe
kub' unamandla

vuthel' icilongo
vaza indumiso
zoloyiso
thabatha uwodi
udlale ingoma
ngoma yoku khonz' igama lakhe

ngenca udumisa
vuma nge ntokoma
kube mnandi
ngokupha umoya
akusikelele
makabongwe uba uyinkosi
