

Just Let It Go

The Last Place You Look

He was the one for me, he made me feel alright
Now everything's gone wrong
We where so tight
He ain't the one so just move on
It's time that you let it go
How can I now forget him, he's the only one Don't, don't waste your time
(Don't you waste your time)
There's a good thing waiting for you down the line
(Down the line)
Don't, don't waste your time
(Don't you waste your time)
As soon as you get over him, your life will truly shine
(Truly shine) Just let it go
There's a good thing waiting for you
Don't you know
(Don't you know, yeah)
Just let it go
As soon as you get over him
You'll find the sweetest friend, oh Wait, wait, wait
Wait I just How can I let him go when he means so much to me
You think I'm blind, you think it's time
I can't get him off my mind
He ain't the one for you, girl, it's time you let him go
I think you're right, he needs to go
He is not the one for me, yeah Don't, don't waste your time
(Don't you waste your time)
There's a good thing waiting for you down the line
(Down the line)
Don't, don't waste your time
(Don't you waste your time)
As soon as you get over him your life will truly shine
(Truly shine) Just let it go
(I can't let it go)
There's a good thing waiting for you
Don't you know
(Don't you know, oh)
Just let it go
(Hard to let it go)
As soon as you get over him

You'll find the sweetest friend
(Find my rainbow, yeah) When you've found the one that's meant for you
Then you'll realize
That it's just a phase, you're going through
Everybody has their bad times Just let it go
There's a good thing waiting for you
Don't you know
Just let it go
(Hard to let it go)
As soon as you get over him
You'll find the sweetest friend
(Find my rainbow) Just let it go
(I can't let it go)
There's a good thing waiting for you
Don't you know
(Don't you know)
Just let it go
(Hard to let it go)
As soon as you get over him
You'll find the sweetest friend
(Find my rainbow) Just let it go
(I can't let it go)
There's a good thing waiting for you
Don't you know
(Oh yeah, yeah)
Just let it go
(Hard to let it go)
As soon as you get over him
You'll find the sweetest friend, oh Just let it go
There's a good thing waiting for you
Don't you know
Just let it go
Soon as you get over him
You'll find the sweetest friend, oh Don't you know, yeah
