

# Twilight

## Puss N Boots

Don't send me no distant salutation  
Silly souvenirs from far away  
Don't leave me alone in the twilight  
Twilight is the loneliest time of day  
Over by the wild???  
Young lovers go  
Sparks flashing in the night  
True colors show  
If I had my way I'd never get the urge to roam  
But a young man serves his country  
and an Old Man guards his home  
Don't put me in a frame upon the mantle  
Where memories turn dusty old and gray  
Don't leave me alone in the twilight  
Twilight is the loneliest time of day  
I could face the darkness or storms in the sky  
But we all got certain trials burning up inside  
You only hurt yourself, don't know what your doing  
Trying to make it on your own  
Who you think you are fooling?  
Don't hand me nothing I can't hold  
Nothing I can't give away  
Don't leave me alone in the twilight  
Twilight is the loneliest time of day
