

# She's A Star

[will.i.am](http://will.i.am)

You a star  
Baby you a star  
You a sta-a-a-ar  
You a sta-a-a-ar

Cuz when you shine  
Baby when you sh-I-I-ine  
When you sh-I-I-ine  
When you sh-I-I-ine

You'll be lighting up my life (oh)  
Light up my life (oh) (6x)

Yeah baby, we'll be  
Walking down the aisle together  
Any time soon, cuz  
You goin be my bride and  
I'ma be your groom girl

We going stay together baby  
Through the monsoon and  
No matter the weather honey  
Me and you will bloom yeah

Don't compare yourself to ex  
Chicks I used to go with  
Cause your love is real lady  
I ain't letting go of it

I ain't leaving you girl  
You'll be by my side  
Cuz I can't go nowhere  
Without my light  
Cuz you my sta-a-a-ar  
My sta-a-a-ar  
You a sta-a-a-ar  
You a sta-a-a-ar

Cuz when you shine  
Shi-I-I-ine

Baby when you shine  
Shi-I-I-ine  
You'll be lighting up my life (oh)  
Light up my life (oh) (7x)

Yeah baby we'll be  
High on love darling  
We don't need to take drugs  
Put away the alcohol  
Kissing got us feeling buzzed  
When you're next to me  
It's like I'm on ecstasy  
We be at it automatic sex like triple x movies

You a naughty lady  
And sophisticated  
I'll be honored baby  
If you have my baby  
So now lets just be grownups  
And do what grownups do  
Baby lets develop a star

Cuz you my sta-a-a-ar  
My sta-a-a-ar  
My sta-a-a-ar  
My sta-a-a-ar  
You a star girl
