

# I Don't Know

## Beastie Boys

What's pleasing to the eye in the delusion of my sight  
Is not what I find when I reach into the light I have lost my mind  
I'm walking through time deluded as the next guy  
Pretending and hoping to find that distant peace of mind I don't know  
Who does know  
There is no  
Where to go? It's not so simple as I try to wish  
But then again what is?  
There is no other worthy quest  
So on I go I don't know  
Who does know  
There is no  
Where to go? I don't know  
Who does know  
Where to go? I don't know  
I don't know  
I don't know  
I don't know
