Sometimes a Hero

Sawyer Brown

The world's full of questions
You thought I had the answers for
I see you look at the world
With eyes I had beforeYou see in me something
I never found
'Til I found you by my side
Now I never want to let you downBut sometimes a hero
Seems awfully far from home
But even a hero
Can't all ways stop the cold wind when it blowsBut If you hold tight, the long night
Will soon be tomorrow
And you'll find me when you need
Sometimes a heroWithout the wind
There would be no sails
And If not for you
There would be no hero in meThere are times I have shined
And there are times that I fail
Sometimes a hero he'll ride off
But he'll be back again another dayBut sometimes a hero
Seems awfully far from home
But even a hero
Can't all ways stop the cold wind when it blowsBut If you hold tight, the long night
Will soon be tomorrow
And you'll find me when you need
Sometimes a heroBut sometimes a hero
Seems awfully far from home
But even a hero
Can't all ways stop the cold wind when it blowsBut If you hold tight, the long night
Will soon be tomorrow
And you'll find me when you need
Sometimes a hero
