

# Better Be Home Soon

[Kasey Chambers](#)

Somewhere deep inside  
Something's got a hold on you  
And it's pushing me aside  
See it stretch on forever And I know I'm right  
For the first time in my life  
And that's why I tell you  
You better be home soon Stripping back the coats  
Of lies and deception  
Back to nothingness  
Like a week in the desert And I know I'm right  
For the first time in my life  
And that's why I tell you  
You better be home soon So don't say no  
Don't say nothing's wrong  
'Cause when you get back home  
Maybe I'll be gone It would cause me pain  
If we were to end it  
But I could start again  
Well, you can depend on it And I know I'm right  
For the first time in my life  
And that's why I tell you  
You better be home soon And that's why I tell you  
You better be home soon
