

Barracuda

Kimah

Embalar de forma demente
Revienta la cresta al pegar
Pasado y presente no parecen cuadrar.

Are you trying to find whatâ€™s wrong on the picture?

Save â€™cause nothingâ€™s forever
Theyâ€™ll take it away
And wonâ€™t touch their hearts
Thatâ€™s how life is, no more!

To be, tell me how:
Request on time your harvest through your soul.

Are you trying to find whatâ€™s wrong on the picture?
You have been so nailed in that, so find it.

(Itâ€™ll) take like forever
(to) Build hope this time in your life.
