Boom Boom

Eric Clapton

Boom, boom, boom, boom
I'm gonna shoot you right down
Knock you off your feet
And take you home with mePut you in my house
Boom, boom, boom, boom
Boom, boom, boom, boom
Yeah, yeah, yeah, yeahI love to see you strut
When you're walking to me
When you're talking to me
That knocks me out
Now let's goBoom, boom, boom, boom
You know I like it like that
With your baby-talk
Oh and the way that you walkYou know it knocks me right down
Knocks me off my feet
Boom, boom, boom, boom
Yeah, yeah, yeah, yeahOh, oh, oh, oh
How, how, how, how
Yeah, yeah, yeah, yeah
Now, now, now, now
