

The Valley

[Christian Kjellvander](#)

The Valley
one cannot even take it in
it is too much to valleys rim
I held the hand that holds the hand
and I will let go when I hear the bands
Down into the valley baby
they say the rhythm of the water is crazy
but everybody's is going
it's a matter of life and death
it's a matter of happiness
what everybody knows
The fools they feel it's a big thing
but in all truth it's really nothing
Oh God- No God! it won't be long
before we hear the valleys songs
