Destroyer

Saxon

Smashing out of nowhere bringing you pain
Striking like lighting nothing remains
Screaming like a banshee out of the sky
It's never gonna stop you're all gonna dieGods assassin
Makes no deal
Born of chaos
Forged in steel
Destroyer
DestroyerIs he made from flesh and bone
Or is he just a robot drone
He doesn't have a soul or heart
He's gonna tear your world apartDesolation coming
From out of the sky
Nowhere to run
Nowhere to hide
Destroyer
DestroyerForged in metal
Made of steel
Gods assassin
Makes no deal
Has no mercy
Doesn't feel
DestroyerDoes he come down from out of space
To devastate the human race
Nothing lives to see the day
All your future's blown awayArmageddon
Killing machine
No protection
Laser beam
Destroyer
Destroyer
