Number One Man

En Vogue

Well, five long years and then there it go
He met his friends and took that bonding road
Never knew where the road would end up, no, no
Sometimes it feels like hell to me, yeah
I gotta keep it together, 'cause it's good for me
Sometimes you make me laugh, yeah
Sometimes you can make me cry
But I know that I love you
You're a very good friend of mine
Even though we may have fights
We know it's a part of life
Wouldn't trade it for nothin'
Just trust in me, you'll always be
My number one man, yeah
I have no questions, so there is no answers
What's to be is meant to be, oh, yes, it is
But it feels like treason, every time I reason
Found me parting ways with you
So tell me, what's a girl to do
I guess I'm stuck with you, yeah
Sometimes you make me laugh, yeah
Sometimes you can make me cry
But I know that I love you
You're a very good friend of mine
Even though we may have fights
We know it's a part of life
Wouldn't trade it for nothin'
Just trust in me, you'll always be
My number one man, yeah
From beauty and the pain
The part of life remains the same
That you made me see
Just what it means to me
To have someone that you can count on
When things are right and sometimes wrong
What a small price to pay
I bless the day you came my way
Sometimes you make me laugh, yeah
Sometimes you can make me cry

But I know that I love you
You're a very good friend of mine
Even though we may have fights
We know it's a part of life
Wouldn't trade it for nothin'
Just trust in me, you'll always be
My number one man, yeah
My man
(My number one man, yeah)
I said you're gonna always be my man, yeah
(My number one man, yeah)
My number one man, oh, yeah
(My number one man, yeah)
Said you're gonna always, always
Always be my man
Sometimes you make me laugh
Sometimes you can make me cry
But I know that I love you
You're a very good friend of mine
Even though we may have fights
We know it's a part of life
Wouldn't trade it for nothin'
