

# In Your Head

## Kriss Lopez

she's waiting for her man to go to work  
then calls me on the phone saying he's such a jerk  
i feel like a thief in the day and a thief in the night  
but it's just a fight  
why why why don't he treat you right  
he should be the one to apologise  
we're going upstairs get away from the past  
then the phone rings i hear your husband ask" is someone in the back, who's that who's that who's that who's that" in your head  
in your head  
mohombi  
mohombi  
mohombi  
who's in your head  
in your head mohombi  
mohombi  
mohombi he ain't falling for your lies  
he got a private eye  
but i pass him in the sky  
he's tryna look through your blinds  
what is your report to your man is he really should have listened while he had that chance  
you told him what you like and what you hate  
and now i stole your heart and it's way too late  
you really really didn't have the business  
now i'm all up all up all up in your business  
now you know who this is  
fulfilling all your wishes in your head  
in your head  
mohombi  
mohombi  
mohombi  
who's in your head  
in your head  
mohombi  
mohombi mohombi just say my name  
just say my name  
i feel your pain right  
i feel your pain right told the girl to be quiet quiet  
if they hear your voice they'll be a riot riot

your man's outside with them dudes waiting
