The Modern World

Ben Harper

This is the modern world
This is the modern worldWhat kind of fool do you think I am?
To think I know nothing of this modern world
All my life it's been the same
I've learnt to live by hate and pain
It's my inspiration drive
I've learnt more than you'll ever know
Even at school I felt quite sure
That one day I would be on top
Another dot upon the map
The teachers who said I be nothing!This is the modern world that I've learnt about
This is the modern world we don't need no-one
To tell us what's right or wrongSay what you like 'cause I don't care
I know where I am and going to
It's somewhere I won't preview
To have to explain myself to you
I don't give a damn about you if you
