Four Leaf Clover

Diana Vickers

Boy, you let me down
I tried too hard & I feel numb
Now
That crooked smile
& your charm that drew me in
Your beautiful eyes,
Can hide so many things
(Chorus)
You were my Four Leaf Clover
My pure white dove
You were my lightning strike
& my knock on wood
My hope & my faith
My luck & love
Yeah!
You were my shooting star
That lit up the sky
Then you broke the mirror
& my heart died
No hope & no faith
No luck, no love
Just ordinary
Oh oh oh
Just ordinary now
Oh oh oh
Oh!
I'm not crying
But I thought you were the perfect thing
For me
Don't get me wrong
You can be wonderful sometimes
But then you're lost
And you can't look me in the eyes

(Chorus)
You were my Four Leaf Clover
My pure white dove
You were my lightning strike
& my knock on wood

My hope & my faith
My luck & love
Yeah!
You were my shooting star
That lit up the sky
Then you broke the mirror
& my heart died
No hope & no faith
No luck, no love
Just ordinary
Oh oh oh
Just ordinary now
Oh oh oh
You were my Four Leaf Clover
My pure white dove
You were my lightning strike
& my knock on wood
My hope & my faith
My luck & love
Yeah!
You were my shooting star
That lit up the sky
Then you broke the mirror
& my heart died
No hope & no faith
No luck, no love
Just ordinary
Oh oh oh
Just ordinary now
Oh oh oh
