

Thank You

Westlife

I wanna thank you very much
Thank you for lending me your love
Now I'm levitating
'Cos I feel like I've been waiting
For the lifetime
For your touch 'Cos' now I'm six feet off the ground
Now I may never come back down, yea
'Cos I still feel your kisses it's on my lips
And I keep wishing you come back around, oh When you came along
(When you came along)
Girl you save me from
(You know you save me from)
Ordinary day
(Yea)
You left me with your touch
So thank you very much
(Oh yea)
Thank you very much I wanna thank you for this smile
Gonna say this much it's usually not my style
I was sleepin' yesterday, you gave my world a shaking
My eyes are open wide, oh Can't believe it's true
(I can't believe it's true)
I've been kissin' you
('Cos I've been kissin' you)
Now everything I do,
(Oh love)
(Everything comes)
Second to your touch
So thank you very much
(I wanna say)
Thank you very much Good God
There I was
Then you came
(Imagine my surprise)
Some say less is more
But I'm not sure
('Cos I can't say goodbye)
Some day I may fall
But till that day

I'll be feelin' high
So high
(Yea yea) Thank you very much
I wanna thank you
For the love that you gave me
'Cos it's all in your touch Can't believe it's true
(I don't believe it's true)
I've been kissing you
('Cos I've been kissing you)
Now everything I do
(Well everything comes)
Second to your touch
So thank you very much One more time
Thank you very much
I got a feeling, girl
You can be my world
We were meant to be together
Can't you see you drive me crazy Good God
There I was
Then you came
Imagine my surprise
(Thank you very much)
Some say less is more
But I'm not sure
'Cos I can't say goodbye
(Ohh oh oh ohh) Good God
There I was
Then you came
Imagine my surprise
(Thank you baby)
Some say
Less is more
(I know what you did)
But I'm not sure
'Cos I can't say goodbye
(Ohh oh oh ohh) Good God
There I was
Then you came
Imagine my surprise
(Thank you baby)
Some say
Less is more
But I'm not sure
(Oh yea)
'Cos I can't say goodbye Good God

There I was
Then you came
