

# The Nearness of You

Ruben Studdard

It's like the pale moon  
That excites me  
The thrill's end  
Delights me Oh no, baby  
Yea  
It's just the nearness of you  
Oh baby, yea And this so sweet  
Conversation  
That brings this  
Sensation Oh no, baby  
It's just the nearness of you When I'm near you  
And I feel you so close to me  
All my wildest dreams  
They come true  
Yes they do I need those outfits  
To inject me  
If you're alone  
Please grant me  
Grand me the right baby  
To hold you ever so tight And to feel it burn  
Oh baby  
The nearness of you When I'm near you  
I feel you so close to me  
All my wildest dreams  
They come true, baby  
Yes they do I need those outfits  
To inject me  
If you're alone  
Please grant me  
Grand me the right baby  
To hold you ever so tight And to feel it burn  
Burn, baby  
The nearness of you And to feel it burn  
Oh my baby  
The nearness of you And to feel it burn now  
Oh just so tight  
The nearness of you
