

Ridiculous

Bowling for Soup

Try not to talk when there's nothing to say
Kept bottled up, we get carried away
Then I fall, then I fall down
Then we fall down And you know that
It makes me feel so ridiculous
A pocket full of posies We fall down on the inside
Pretty on the outside
Turn it around, can we turn it around?
Try to make a comeback with
Nowhere to start from now
But it's looking up A second chance, a much better day
A sunset that just won't go away
Then I fall, then I fall down
We all fall down And you know that
It makes me feel so ridiculous
A pocket full of posies We fall down on the inside
Pretty on the outside
Turn it around, can we turn it around?
Try to make a comeback with
Nowhere to start from now
But it's looking up And you know you said
You'd never end up this way
Close the door behind you
I just wanna stay for a while
We all fall down, we all fall down
We all fall down Down on the inside
Pretty on the outside
Turn it around, can we turn it around?
Try to make a comeback with
Nowhere to start from now Down on the inside
Pretty on the outside
Turn it around, can we turn it around?
Try to make a comeback with
Nowhere to start from now
But it's lookin' up, its lookin' up
Its lookin' up, its lookin' up, its lookin' up
