

Bossy (DJ Stript Remix)

Lindsay Lohan

Stop touching me
Without permission
Don't disobey
Answer to me
Said if you want to play
Follow direction
We do this my way
What do you really want
What do you want to know
What do you want to see
Where do you want to go
If you leave it to me
We will not go slow
I got places to be
When you're ready let me know I'm just a little bossy
I like it how I like it when I like it
And that's how it is
I'm just a little bossy
You got a problem with it
If I want it then I get it now
I get it now
I'm just a little bossy
I get it now
I'm Just a little bossy Trust me
You want me happy
Punishment can be severe
Please me
And I will gladly
Brighten up your atmosphere
Let me shine for you
Let me shine for you
Only if I want to I'm just a little bossy
I like it how I like it when I like it
And that's how it is
I'm just a little bossy
You got a problem with it
If I want it then I get it now
I get it now
I'm just a little bossy

I get it now
I'm Just a little bossy Don't tell me no
Don't tell me no I'm just a little bossy
I like it how I like it when I like it
And that's how it is
I'm just a little bossy
You got a problem with it
If I want it then I get it now
I get it now
I'm just a little bossy
I get it now
I'm Just a little bossy
