Sweet Love On My Mind

Stray Cats

Muchas Gracias
Thank you very muchWell, I'm a man who's got nothin'
But sweet love on my mind
Well, if you're really gonna leave me
Baby, love me just one more timeWell, you know I love ya, honey
But you don't treat me right
Well, gimme some sweet lovin'
Right this minute or we're gonna have a fight
Well, I'm a man who's got nothin'
But sweet love on my mindWell, I'm a man who's got nothin'
But sweet love on my mind
Well, if you're really gonna leave me
Let your lovin' just one more timeWell, the mail man comes in the mornin'
There's a note upon my door
Just bring my mail to the bottom of the river
I don't live here no more
Well, I'm a man who's got nothin'
But sweet love on my mindWell, I'm a man who's got nothin'
But sweet love on my mind
Well, if you're really gonna leave me
Lemme love you just one more timeWell, you know I love ya, honey
You don't treat me right
Well, a gimme some sweet lovin'
Right this minute or we're gonna have a big fight
Well, I'm a man who's got nothin'
But sweet love on my mindWell, I'm a man who's got nothin'
But sweet love on my mindYeah, it's been a long time, long time
