

Stronger Than Dirt (Homosexuality, Pt. 2)

Glasvegas

Tougher than tough
Toughest when we are together
Thoughts of me and you forever
The rest can go to hell
Yeah I'm lost, but so are you
Just like little lost lambs us two
They say we're sordid 'cause the way we walk and talk and flirt
They say we're dirty
We're stronger than dirt
Absolutely novice
We're absolutely new to us
No less if we are not his 'n' hers
Our love is as valid as their love is
I'm going on
Can we stay together?
Is it me and you forever?
Can the rest all go to hell?
They say we are sordid 'cause the way we walk and talk and flirt
They say we're dirty
Stronger than dirt
