The Sacrament

Him

I hear you breathe so far from me
I feel your touch so close and real
And I know my church is not of silver and gold
Its glory lies beyond judgment of souls
The commandments are of consolation and warmth
You know our sacred dream won't fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you
I hear you weep so far from me
I taste your tears like you're next to me
And I know my weak prayers are not enough to heal
Oh, the ancient wounds so deep and so dear
The revelation is of hatred and fear
You know our sacred dream won't fail
The sanctuary tender are so frail
In the sacrament of love
The sacrament of warmth is true
The sacrament is you
The sacrament is you
The sacrament is you
The sacrament is you
The sacrament is you
You know our sacred dream won't fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you
(The sacrament is you)
You know our sacred dream won't fail
(The sacrament is you)
The sanctuary tender and so frail
(The sacrament is you)
The sacrament of love
The sacrament of warmth is true
The sacrament is you
