

# The Sacrament

## Him

I hear you breathe so far from me  
I feel your touch so close and real  
And I know my church is not of silver and gold  
Its glory lies beyond judgment of souls  
The commandments are of consolation and warmth  
You know our sacred dream won't fail  
The sanctuary tender and so frail  
The sacrament of love  
The sacrament of warmth is true  
The sacrament is you  
I hear you weep so far from me  
I taste your tears like you're next to me  
And I know my weak prayers are not enough to heal  
Oh, the ancient wounds so deep and so dear  
The revelation is of hatred and fear  
You know our sacred dream won't fail  
The sanctuary tender are so frail  
In the sacrament of love  
The sacrament of warmth is true  
The sacrament is you  
The sacrament is you  
The sacrament is you  
The sacrament is you  
The sacrament is you  
You know our sacred dream won't fail  
The sanctuary tender and so frail  
The sacrament of love  
The sacrament of warmth is true  
The sacrament is you  
(The sacrament is you)  
You know our sacred dream won't fail  
(The sacrament is you)  
The sanctuary tender and so frail  
(The sacrament is you)  
The sacrament of love  
The sacrament of warmth is true  
The sacrament is you
