

Raining In My Heart (Single Version) [Stereo]

Buddy Holly

The sun is out, the sky is blue,
There's not a cloud to spoil the view,
But it's raining, raining in my heart! The weatherman says clear today
He doesn't know you've gone away
And it's raining, raining in my heart! Oh, misery, misery
What's gonna become of me? I tell my blues they mustn't show,
But soon the tears are bound to flow
'Cause it's raining, raining in my heart! It's raining, raining in my heart! Oh, misery, misery
What's gonna become of me? Raining in my heart!
Raining in my heart!
