

# Honk (If You're Tonky)

Joshua Scott Jones

Well I've fallen off bridges  
Fallen down stairs  
Hell I've fallen outta favor  
With every woman who's cared  
While I'm dancing to a tune  
That no one else hears  
Honey, howling at the moon  
While I'm choking back tears

So honk if you're tonky  
Swing around beside me  
If you're singing in the wrong key  
Honey I don't mind  
Ain't a soul without sin  
I don't ask where you've been  
I'm just looking for a friend  
To help me pass the time  
Honey honk

See my Ma was from the north  
My Pa was from the south  
So you never know what might  
Fall outta my mouth  
But I'm long and I'm lean  
Lonesome ornery and mean  
There should be no doubt  
That I could bottom you out

So honk if you're tonky  
Swing around beside me  
If you're singing in the wrong key  
Honey I don't mind  
Ain't a soul without sin  
I don't ask where you've been  
I'm just looking for a friend  
To help me pass the time  
Honey honk

I just can't take it  
No I can't so I won't

Cause the way that you shake it  
Babe you're making me crazy

All the bullshit I've done  
Just to make ends meet  
Got me nothing for my trouble  
But trouble it seems  
Tired of busting my hump  
For a fools meager means  
Time to string up my guns  
And steal you a dream

So honk if you're tonky  
Swing around beside me  
If you're singing in the wrong key  
Honey I don't mind  
Ain't a soul without sin  
I don't ask where you've been  
I'm just looking for a friend  
To help me pass the time  
Honey honk
