You Jane

The Donkeys

I could live my whole through without you
Iâ€™m not saying though it could be true, but I doubt you.
Iâ€™m just saying that I will give my life to you, Jane.
Could be stranded on a desert isle with you, Jane

Canâ€™t imagine anything you feel about me
Iâ€™m not saying though it could be true you should doubt me
Iâ€™m just saying that I will give my life to you, Jane
Could be stranded on a desert isle with you, Jane

And I wonâ€™t give my life to you
Thatâ€™s the last thing I would do.

Canâ€™t imagine anything you feel about me
Iâ€™m not saying though it could be true you should doubt me
Iâ€™m just saying that I will give my life to you, Jane
Could be stranded on a desert isle with you, Jane

And I wonâ€™t give my life to you
Thatâ€™s the last thing I would do.
I wonâ€™t give my life to you
I wonâ€™t give my life to you
Thatâ€™s the last thing I would do.
