

# Parasol

## Twocker

When I come to terms, to terms with this  
When I come to terms with this  
When I come to terms, to terms with this  
My world will change for me I haven't moved since the call came  
Since the call came I haven't moved  
I stare at the wall knowing on the other side  
The storm that waits for me Then the seated woman with a parasol  
May be the only one you can't betray  
If I'm the seated woman with a parasol  
I will be safe in my frame I have no need for a sea view  
For a sea view I have no need  
I have my little pleasures  
This wall being one of these Then the seated woman with a parasol  
May be the only one you can't betray  
If I'm the seated woman with a parasol  
I will be safe in my frame When I come to terms, to terms with this  
When I come to terms with this  
When I come to terms with this whip lash  
Of silk on wool embroidery Then the seated woman with a parasol  
May be the only one you can't betray  
If I'm the seated woman with a parasol  
I will be safe in my frame Then the seated woman with a parasol  
May be the only one you can't betray  
If I'm the seated woman with a parasol  
I will be safe in my frame  
I will be safe in my frame  
In your house, in your frame
