Advisory - the following lyrics contain explicit language:

I can tell by the way you've been lookin' at yo girlfriend
I can tell by the way you've been dancing wit yo girlfriend Can I ask?
Iz you down? Iz you down?
Iz you down? Iz you down?
Can I ask?
Iz you down? Iz you down?
Iz you down? Iz you down? Now it ain't hard to tell
By the way you've been lookin' at her face
It's something on yo expression lookin' like you need a taste of that Ace
Take the ground, it's nothing that I can say
It's a lot up on her plate, I've been ready, hit the ba**
Hit it Guess who back in the building with the motherf***in' problems
Top of the world, all the way from the bottom
Turn this whole b**** up like fox and go in, show out
I seen them kids send pics of you and yo girlfriend
Tryna get yo lights up
But this s*** been helping
Got a question, how many drinks do it take til you start getting touchy freely?
Gotta make sure I pay them both attention or one of em gon' kill me
Say the truth, whole truth, no undercover freak, I'm guilty
Check please, pay the cost
To be the boss, just bill me I can tell by the way you've been lookin' at yo girlfriend
I can tell by the way you've been dancing wit yo girlfriend Can I ask?
Iz you down? Iz you down?
(One question)
Iz you down? Iz you down?
Can I ask?
Iz you down? Iz you down?
(One question)
Iz you down? Iz you down? Can I have that? You and yo best friend on a mattress
A** so fat, need a lap dance
That was way back then

Lost a little weight but that a** still thick, goddamn
So innocent, I'm a guilty trip, she ride the dick
It be worth the trip
No answers, no romantic s***
Just friends with benefits
I take that (take that)
Never seen a roof come back on a Maybach (I don't think you seen that)
Uh tryna meet there, I could put you anywhere
Fly private air, uh yea
Who do dare?
Take it on me, can't compare, my fashion rare
All I wear, mad skin skill, man that s*** so ill
I just wanna take you girls home
Make a nasty song and put this s*** online
We could do it like dinner plate
Have a house party, all night long
Iz u down is my theme song
Take yo thong off, put me on
T-Raw, I'm in the dub so go and let a n**** bump'Cause I can tell by the way, tell tell by the way
I can tell by the, I can tell tell by the by the
'Cause I can tell by the way, tell tell by the way
I can tell by the, I can tell tell by the way I can tell by the way you've been lookin' at yo girlfriend
I can tell by the way you've been dancing wit yo girlfriend I can tell from how you look inside of her eye
It's obvious this time you havin' the time of your life
The timin' is right, this kind of a night need two at a time
Round two, upright, I find these hoes just losin' their mind
Girls gone wild, going all out
Let's be honest, you ain't gotta lie
One question, how many freaks do it take 'til this b**** turn into a orgy
Three shots in and I'm feelin' like Horry
Shoulda never gave a n**** money, man pour me
Just pour me up, high, I'm sippin' lean like I'm on a f****in' diet
LA n****, 'bout to start a f****in' riot
Why you tryna deny it? I can tell by the way you've been lookin' at yo girlfriend
I can tell by the way you've been dancing wit yo girlfriend Can I ask?
Iz you down? Iz you down?
(One question)
Iz you down? Iz you down?
Can I ask?
Iz you down? Iz you down?
(One question)
Iz you down? Iz you down?
