Dream Girl

Esham

Well I met this girl
I was dazey crazy for the ho
The bitch took my feelin's and phazed me, I know
I shoulda watch my back but I did'nt so
My hate for the ho begins to grow
I met her a month ago
It was'nt bout money though
As far as I could see her personality was cool
So I talked and talked, my intention's was to bone her
But I found myself likeing her and bein all up on her
She teased with the pussy had my mind in the Twilight Zone
It was like dial-a-porn whenever we talked on the phone
I'm asking her "Wassup, when you gone let me hit it?"
She said "Right now, I'm hot and horny, hurry come and get it."
I reached her house in a minute, I was all up in it
First time ever fucked her, damn it was splended
The bitch had my mind goin' loopty loop
I was pussy whipped up like grandmas soup
Had me in a state of shock while she was ridin my jock
Sweat dripped off my balls 'cause the walls was hot
She was sucking me and fucking me like the freak on the flick

Then I sucked on her titties while she rode my dick
She said "Please be gentle, hold me dont let go".
And all I was thinking was "oh..oh"
Bare with me brotha, I dont know what I was thinkin of
I'm thinkin how could makin fuck turn outta makin love
Slowly as I fucked her, she called me Harry
She called Charles, Earl, James, and Larry
I took three more strokes and then bust a nut
Come to find out my dream girl was just a slut
The freak of the week, I did'nt stop to think
How many's made you scream girl, nasty dream girl
Dream girl, dream girl, fuckin nasty, dream girl
Dream girl, dream girl, suckin dick, dream girl
Dream girl, dream girl, ho'y ass dream girl
You's just a bitch, dream girl
Dream girl, dream girl, fuckin nasty, dream girl
Dream girl, dream girl, suckin dick, dream girl

Dream girl, dream girl, ho'y ass dream girl
You's just a bitch, girl, I hate you, BITCH
