Uh Oh

Brooke Hogan

We're inches apart, but I am miles away from getting what i want.
With so little time, and all these feelings for you it's unexplainable.Don't you feel like having me take you on a ride?
Doing this so synchronized, your'e body
touching mine, arch your back let it flow,
take me where i wanna go,
just take your time, and put
your lips on mine.Uh oh! I think i want you now,
oh yea! I think i'm going crazy,
Uh oh! gotta have you know,
oh yea! I want you so bad lately, I want you so bad lately. I want you so bad latelyPushin the limit and we're breaking the tension that used to hold us back.
It's not overated, it's what we created, you're an aphrodisiac.Don't you feel like having me take you on a ride?
Doing this so synchronized, your body
touching mine, arch your back let it flow,
take me where i wanna go,
just take your time, and put
your lips on mine.Uh oh! I think i want you now,
oh yea! I think i'm going crazy,
Uh oh! gotta have you know,
oh yea! I want you so bad lately.I don't wanna push the subject, baby,
but I just want you're loving;
This harmony we can set it free,
all we need is you and me.
I want you so bad, so bad.[x2]
Uh oh! I think i want you now,
oh yea! I think i'm going crazy,
Uh oh! gotta have you know,
oh yea! I want you so bad lately.
